C-D9F/3PM

9−pin D−sub (F) to 3−pin Adapter Cable

Kramer's D9F/3PM cable converts Kramer RC controllers with an RS−232 port on a terminal block (such as the RC−2) to a standard 9−pin D−sub connector.

FEATURES

- High-Quality Construction - Data cable with an assembled 9−pin D−sub female connector at one end and a molded 3−pin header at the other.
- Standard 0.6ft (0.18m) Length.

Model Female - Male	Description	Length	Meter
C-D9F/3PM	9-pin D-sub (F) to 3-pin terminal block	0.6'	0.2M
